Time

What if I really was someone else?

Someone beautiful and powerful.

Someone buried alive and suffocating to death.

Very far away,

on the other side of the television screen.

But I know that's not true.

That's just fantasy.

Kid's stuff.

"time wasn't right. it was moving too fast. i was 19, and then i was 20, and then i was 21. like chapters skipped over in a dvd. i told myself 'this isn't normal. this isn't normal. this isn't how life is supposed to feel.'"
